## EDUCATION

Narsee Monjee Institute of Management Studies, Mumbai.

CGPA: 3.6/4

M.Sc. in Statistics and Data Science

May 2024

VPM's BN Bandodkar College of Science, Thane.

CGPA: 9.93/10

B.Sc. in Statistics

Apr 2022

Vani Vidyalaya Junior College, Mulund.

Percentage: 81.85%

HSC

May 2019

## WORK EXPERIENCE

Neural Tech Soft, Mumbai

Mumbai, Maharashtra

Position: Data Analyst Intern

Jan 2024-present

- Designed a probabilistic model for Actuarial Valuation of End of Service Benefits using Python.
- Developed and implemented a data-driven strategy for Automated Trading in the Indian Derivative Market, achieving a 70-80% return in back-testing.
- Achieved a 10% return on invested capital during live trading over a two-week period.
- Conducted rigorous simulation and back-testing to validate the effectiveness of trading strategies.

## PROJECT EXPERIENCE

NMIMS, Mumbai

Mumbai, Maharashtra

ECG Anomaly Sentinel: Detecting Heart Aberrations

July 2023-Nov 2023

- Developed and implemented an LSTM-based model for accurate ECG anomaly detection.
- Conducted extensive validation of the model, ensuring its efficacy for healthcare applications.
- Integrated advanced noise reduction techniques to enhance model accuracy and reliability.

NMIMS, Mumbai

Mumbai, Maharashtra

Password Strength Checker using NLP and Random Forest

June 2023

- Developed a Password Strength Checker using NLTK and Naive Bayes, achieving an accuracy rate exceeding 80%, effectively distinguishing between weak and strong passwords.
- Implemented feature engineering and a Naive Bayes classifier to assess password security, contributing to enhanced user data protection and security in digital applications.

## CERTIFICATIONS

Python For Data Science. (Coursera)

June 2023

SQL for Data Science. (Coursera)

July 2023

Machine Learning A-Z. (Udemy)

August 2023

## PROGRAMMING SKILLS

Python | MYSQL | R | Power BI | Excel

## SOFT SKILLS

Leadership | Effective Communication |  
Predictive Analytics | Statistical Modelling

## POSITION OF RESPONSIBILITY

Event Head (Sankhya Club, BN Bandodkar)

2022

- Led a team of 10 individuals in brainstorming creative and enjoyable ideas, successfully organizing and executing 5-6 events.

## AWARDS AND ACHIEVEMENTS

- INSPIRE by DST Scholar for being within the top 1% at the HSC Board (Science).

2020

## INTERESTS

Swimming, Cricket, Reading, Travelling
